## First White Woman Executed In Alabama; Poisoned Niece

MONTGOMERY, Ala. (AP)—With a mumbled prayer for forgiveness, Mrs. Earle Dennison was put to death early today for the bizarre poison slaying of an infant niece whose life she had insured for \$5,500.

The frail, trembling former surgical nurse made no protest as she was seated in Kilby prison's yellow electric chair, but winced and uttered a faint cry when the straps were pulled too tight.

She was the first white woman ever electrocuted in Alabama. Mrs. Dennison, who fed arsenic to 2-year-old Shirley Diann Weldon for the insurance she had taken out on her, met death calmly despite her nervousness.

To the prison authorities and witnesses who watched her die, the 55-year-old widow had only this to say:

## Northern Lights Put On Show Thursday

A display of northern lights attracted attention in this area Thursday evening and was accompanied by an unusually large number of shooting stars in many sections of the cloudless sky to brighten the celestial fireworks.

From shortly after dusk, the lower section of the northern skies took on a bright glow and there were occasional shimmering shafts of light that shot almost to the zenith.

Some difficulties were experienced in receiving TV broadcasts here from normally good channels and some TV fans were inclined to blame the aurora borealis.

## PHONE COMPANY SUED FOR \$5,000 BY VETERINARIAN

Dr. Richard C. Newsham, Hanover St. veterinarian, today brought suit in the Adams County Court against the United Telephone Co. for failing to list him as a veterinarian in the 1953 telephone directory and for failing to include him in the business directory of the "phone book."

According to his complaint in an action in assumpsit, filed for Dr. Newsham by Attorney John MacPhail of the law firm of Swope, Brown and Swope, "the omission of the plaintiff's professional capacity from the alphabetical list of telephone subscribers and the omission of his name, address and telephone number from the Gettysburg classified business list has resulted in substantial damage to the plaintiff by reason of the fact that persons desiring the service of a veterinarian who are not acquainted with the plaintiff by name are unable to locate him in the defendant's 1953 directory and further because the plaintiff's professional capacity was omitted from the alphabetical list of subscribers the general public has inferred that the plaintiff is no longer a practicing veterinarian in the vicinity served by the 1953 (telephone) directory."

Dr. Newsham seeks \$5,000 in damages, according to the complaint which states that he has been a practicing veterinarian here since September 15, 1951; that in October 1952 he moved from 301 to 305 Hanover St. and asked the change be noted in the forthcoming directory. And that he again on July 15 asked that his name, address, etc., be included in the classified directory. According to the complaint he was listed in the 1952 directory as a veterinarian.

## Truck Hits Door Of Station Wagon

Damage amounting to \$85 was caused to the station wagon of Raymond Weaver, 631 S. Washington St., Thursday afternoon at 12:25 o'clock when the door of the vehicle was hit by a truck operated by Cecil R. Kelley, Gettysburg R. 1.

## Roy H. Unger, 51, Aspers, Is Critically Injured When Truck Is Hit Broadside At Crossing

Roy H. Unger, 51, Aspers, was critically injured Thursday evening when his pick-up truck and an automobile figured in a collision five miles north of here at Shriver's Corner, on the Gettysburg-Harrisburg Rd.

State Police, who investigated, said Unger, driving west on the Hunterstown-Mummasburg Rd., entered the intersection and his truck was hit broadside by a car being driven north by Ronald E. Guise, 21, 60 E. Middle St.

Police said the Unger truck was spun completely around on the highway, and hurled against a utility pole on the north-west side of the intersection.

The Guise car, at the same time, was turned to the west and plunged into a fruit stand owned by Cecil Sandoe, Biglerville.

Police said Unger was apparently thrown from his pick-up truck, when a door opened, and skidded under the Guise car as it came to rest with about one-fourth of the length of the car inside the fruit stand.

## SECRETARY OF MOOSE LODGE HELD FOR COURT

Richard Rodney Weaver, 40, Ridge Ave., McSherrystown, was held for court on a four-count gambling charge following a hearing before Justice of the Peace Robert P. Snyder at 10 o'clock this morning.

Weaver posted \$1,000 bail to guarantee his appearance at the November term of Adams County court for trial.

He is charged with setting up a lottery, traffic in lottery tickets, making of gambling devices and establishing a gambling place.

The charges were placed before Justice Snyder by state police following a raid Tuesday afternoon on the McSherrystown Moose lodge of which Weaver is secretary.

**Three Officers Testify**  
Cpl. Frank Yercavage, and Pfc. David James, of the local State Police sub-station, and Bertram H. Berg, a State Liquor Control Board investigator who called state police to make the raid, were the only ones to testify at the hearing.

In response to questioning by Attorney Eugene R. Hartman, representing Weaver, the officers said they personally had seen no gambling, but said they had found devices normally used for gambling at the lodge home.

No testimony was offered by the defense.

Police said they had confiscated a large amount of equipment including a "console" machine which they described as a type of slot machine, "fishbowl," tickets, wheels and other equipment including a number of articles which they said appeared to be intended for prizes.

Mrs. Frederick Tilberg as director of the school will be assisted by Mrs. Paul Ecker. Both are state registered kindergarten teachers. Mrs. Ecker taught in public schools of the county for six years and Mrs. Tilberg taught for 12 years in Gettysburg.

A "get acquainted party" will be held for children and their mothers on the first day of school when the program of study for the year will be explained and demonstrated.

Pupils enrolled are: John Bender, Joanne Bragdon, Lou Ann Campanaro, Carol Codori, Virginia Lee Deardorff, Jeffrey Dengler, Frazer Dixon, Cindy Elyer, Holly Hafer, Louise Harbach, Larry Hartlaub, Bonnie MacPhail, Andy Miller, Linda Parrish, John Pitzer, Kate Ritter, Karen Schubert, Lloyd Snyder, Tommy Spahr, Craig Stoner, Carol Ann Stoner, Emily Tate and Virginia Weaver.

**Wedge Under Car**  
While the car apparently did not pass over Unger's body, judging from his injuries, he was wedged so tightly underneath the vehicle that the Gettysburg Fire department had to be called to lift the sedan before he could be removed.

Bumper-jacks were used by the firemen to raise the Guise car and State Policeman Robert Brady crawled under the car to help push the unconscious Aspers man from under the vehicle.

Unger and Guise were removed to the Warner Hospital by the local fire company's rescue truck. Guise was treated for brushburns of both knees and the forehead.

Unger was admitted to the hospital apparently suffering from a fractured skull, lacerations of the face and other injuries. At the hospital today, physicians said he also apparently has a fracture of the pelvis or spine. They added that he was "rallying."

## \$2,050 Damages

Gettysburg firemen were immediately available when called to the accident scene at 8:45 o'clock Thursday night. The firemen had just returned to the engine house after fighting a four-acre grass fire at Sunken Gardens, owned by J. Howard Smith, Gettysburg R. D., located east of here on the Lincoln Highway. The alarm had been sounded at 7:35 o'clock.

Damage to Guise's car was estimated by police at \$1,500, to the Unger truck at \$500 and to the frame fruit stand at \$50.

## DRIVER FACES EIGHT COUNTS AFTER CHASE

Robert L. Gardner, 22, York Springs R. 2, who escaped Hanover police in a wild chase about 2:30 a.m. Thursday after knocking down a traffic sign, crashing barricades on Elm Ave. at the Western Maryland Railway crossing in Hanover, and fleeing from the car when a tire blew out at Elm Ave. and Oxford Rd., McSherrystown, faces eight charges.

Hanover police, continuing their efforts to break up speeding and motor violations in the borough, were patrolling Carlisle St. when they saw a car fall to stop at an intersection about 2:15 a.m. and go north on Carlisle St. at a high rate of speed. Following, they chased the car to the borough line but were unable to catch up with it.

While parked at the borough line, they saw the car turn and head toward town. The police signaled it to stop. The driver disregarded the signal and sped on to Elm Ave. where he turned right, running up over the curb at the Valley Motor Co. and tearing out a traffic sign which fell from the car 50 feet beyond, police said.

## Crashed Through Barriers

Continuing at high speed, the machine crashed through the barriers erected by the Highway Department on both sides of the Western Maryland tracks on Elm Ave., breaking the red warning lanterns on the road blocks. With police in pursuit, the driver continued on Elm Ave., turning at the Oxford Rd. where the left front tire blew out and the car veered into the Crouse garage property. Here the driver jumped from the machine and fled through a used car lot, leaving his companion, William J. Staushaugh, Hampton, in the vehicle. Unable to locate the driver, the officers took Staushaugh into custody and learned the name of the operator.

Police then filed these charges against Gardner: Two charges of failing to stop at the scene of an accident and reveal his identity, reckless driving, operating a vehicle on a barricaded highway, failing to stop at a stop sign, two charges of damaging property of the state, and turning off lights to avoid identification. All were lodged with Justice of the Peace George A. Lipp, Hanover, who has issued warrants for Gardner's arrest.

Police said damage to his car was estimated at \$15; \$20 to the road sign, and approximately \$750 to the two barricades and three lanterns. Neither Staushaugh nor Gardner was injured, police reported.

## FBI IN CASE OF "MISSING EAR"

The FBI has stepped into the case of the bitten off ear.

Attorney Edward B. Bulleit, U. S. commissioner for this district, this morning received a complaint filed by Michael B. Davis, of the FBI, against Leroy Kemp, also known as Eddie Leroy Kemp, New York City, charging Kemp with biting off the ear of a fellow worker at Letterkenny Ordnance Depot.

Attorney Bulleit said the FBI special agent, in seeking the warrant, said Kemp was working with Benson Reese, also of New York City, on a scaffolding at Letterkenny. Reese apparently sprayed some paint on Kemp, according to the commissioner, and Kemp, in anger, bit at Reese and succeeded in taking off Reese's entire ear.

The ear fell to the ground and Reese took it to the Chambersburg Hospital with the hope that it could be sewed back on.

The information placed before the commissioner claims that Kemp "did bite the ear of Benson Reese with intent to maim or disfigure."

Approximately 75 priests from Harrisburg and neighboring dioceses have been invited to the pontifical mass Monday morning. The priests' choir of the diocese will sing. Other guests at the celebration Monday will be representatives of the Sisters of Mercy and the Sisters of Charity both of whom taught here. The Sisters of Charity also served at the church during and after the Battle of Gettysburg when the church was converted into a hospital for the duration of the battle.

Plume-helmeted Fourth Degree Knights of Columbus will serve as the guard of honor for Bishop Leech at Monday's ceremonies. A history of the church has been prepared in connection with the centennial celebration. According to the history the local church was the site where minor orders were conferred on John McCloskey, who later became archbishop of New York and the first American Cardinal.

Founded By Jesuits

The local church was one of a number in this section established by the Jesuits from Conewago Chapel, a center of the Catholic faith in the 18th and 19th centuries. When Conewago Chapel was established in the early 1700's there were only 30 priests and 3,000 Catholics in the U. S. The Jesuit priests served the congregation here early in the 1720's and established the first church, in 1731 at the approximate location where Steintown's store now stands on S. Washington St. The present church structure on W. High St. was dedicated in 1853.

## WISSANT, France (P)—Florence Chadwick, San Diego, Calif., stevedore, swam across the English Channel from Dover, England, in the record time of 14 hours, 42 minutes today and then immediately started her return swim.

She hopes to be the first ever to make a non-stop roundtrip swim of the channel.

Actually Miss Chadwick did come ashore briefly in France—just long enough to eat an orange and take some sugar. Then she waded back into the water "to see how much further I can swim."

## PLAN WELCOME FOR FREED PW

Tentative plans to tender a homecoming reception dinner for Cpl. Lloyd F. Shaffer, formerly of Hanover R. 3, the only released POW from this county, were made Thursday night at a special session of the Allied Veterans' Council of Hanover.

Named to the arrangements committee were: Roy C. Hart, VFW service officer, chairman; Thomas Leonard, commander of Hanover Post 22, Amvets; Milton Anthony, representing Harold H. Blair Post 14, American Legion, and Blair Geissinger, Hanover Post 2506, VFW.

Cpl. Shaffer is expected to arrive on the west coast from Korea on Wednesday and the reception was tentatively scheduled for the following week.

**Freed On Birthday**

Cpl. Shaffer, son of Mrs. Viola Shaffer, York, who was released on his 22nd birthday Aug. 21, had been a prisoner since Feb. 12, 1951. His outfit also had been cut off by the enemy near Seoul, Dec. 12, 1950, and, with his ammunition exhausted, Cpl. Shaffer was captured and held prisoner for six days until he escaped with seven other men.

Cpl. Shaffer was raised by his great uncle and aunt. Mr. and Mrs. Martin McWilliams, Abbottstown.

He attended Hanover High School and had been employed by the Coulson Heel and Innersole Company there when he enlisted Aug. 1, 1949.

county-wide observance of United Nations Week in October, urged them to participate with U. N. programs in their classes and a poster contest in the schools.

Dr. Frederick W. Maroney, of the faculty of Brooklyn College, New York, told the teachers: "The general aim of education is to promote the continuous improvement, enrichment and reconstruction of the individual and society through the orientation of the individual in the basic relationships of living."

Speaking at this morning's session, Dr. Maroney also told the teachers: "Study as though you are going to live forever; live as though you may die tomorrow."

Calvin Dean Johnson, Congressman from Illinois, termed communism "an utter failure in human relations," and denounced communism as a way of life, "because its basis tenet of freedom of freedom leads to loss of everything. It does not build up, it tears down."

Describing the benefits of the American way of life, he said "If we cannot attain all of our own hopes and ambitions in our own life, we can attain them through our children, who under our democracy can improve and continue to reach greater heights."

**Get NEA Report**

Frank Basehoar, Littlestown teacher, who represented the county teachers at the National Education Association convention at Miami, reported on that session.

Basehoar told the group the NEA had passed resolutions condemning communism "and all other isms that deny freedom"; recommend that teachers be paid minimum salary of \$3,600 per year and a maximum salary of \$8,700, and passed a \$2-859,000 budget for the coming year.

At the conclusion of his report Basehoar described life memberships in NEA that are now available and recommended that the county branch of the PSEA, as a reward to its officer, provide the life membership in NEA to each retiring president of the local branch.

## Youth For Christ Rally On Saturday

Following the summer vacation schedule of only one service a month, the Adams County Youth for Christ will begin on Saturday evening with the first service in the fall program. "Willing to Die," a 16 mm. sound motion picture with Bob Cook's report of the need of consecrated young people, will be shown in the Memorial EUB church in Gettysburg. This film contains a message from Ted Engstrom on unprecedented opportunities for blanketing Japan and the Orient with the Gospel. Hubert Mitchell explains the part Youth for Christ may play in this ministry. Hans Hillerband, a young student convert at a YFC rally in Germany, gives his testimony.

Ray Crist and family, Shoemaker, Pa., will present a musical program with cowbells. Three children assist him, with his wife playing piano accompaniment. The rally begins at 8 p.m. The public is welcome.

Philadelphia's high of 100 was five degrees above any temperature ever registered in the city on a Sept. 3. And Scranton's 100 was the hottest September weather for that city.

Wilkes-Barre's top was 101 as was Middletown's, near Harrisburg. Pittsburghers suffered through 100 degree heat downtown while the airport reading was four degrees lower—both well above previous standards for the date.

## Temperature Is

(Continued from Page 1)

Increased humidity offset the relief that might have been provided by today's lower temperatures but cooler weather is forecast for Saturday with scattered showers likely.

By The Associated Press

The 11th day of the most intensive, and longest heat wave in years brought possible relief for Pennsylvania into sight today. U. S. Weather Bureau forecasts called for "scattered showers and cooler Friday night or Saturday" which could end the spell of terrific heat that has set record after record.

18 Lives Are Lost

Besides running up the highest temperatures in decades for many communities the heat wave and companion drought has taken a toll of 18 lives in the Keystone State, has dried out thousands of acres of forestland and is causing much concern over water supplies.

The Weather Bureau considered yesterday about as hot as Wednesday, which had been the worst. Thermometer readings up to the state high of 103 at York bore out the belief.

However, some areas received a bit of rain. Blairsville in Indiana County had .34 of an inch, the best precipitation in the state in three weeks. A severe electrical storm struck the Easton area, tumbling temperatures as much as 20 degrees.

Elizabethville in Dauphin County, Williamsport, Allentown, Youngwood, in Westmoreland County, and Avoca, between Scranton and Wilkes-Barre also went through brief storms.

Heart Caused Heart Seizure

Yesterday's heat was blamed for the death of a 67-year-old Scranton woman. Dr. Michael Levitz, deputy Lackawanna County coroner, said Mrs. Adla Soma suffered a fatal heart seizure brought on by the heat.

York's 103 was the hottest the city has had in 17 years. And it set a record of five consecutive days of 100 or higher, something never before recorded in the city's 65-year weather history.

A mid-afternoon 102 in Harrisburg tied the top September reading in the records of the Capital City—established Wednesday. It was the city's eighth straight day with 90 plus temperatures. Other 102s were recorded in Selinsgrove and Williamsport. Avoca had a 101 before the shower came.

Philadelphia's high of 100 was five degrees above any temperature ever registered in the city on a Sept. 3. And Scranton's 100 was the hottest September weather for that city.

Wilkes-Barre's top was 101 as was Middletown's, near Harrisburg. Pittsburghers suffered through 100 degree heat downtown while the airport reading was four degrees lower—both well above previous standards for the date.

## Out Of The Past

From the Files of the  
Star and Sentinel and  
The Gettysburg Times

FIFTEEN YEARS AGO

**Epley-Strausbaugh:** Miss Evelyn Mary Strausbaugh, daughter of Mr. and Mrs. Emory D. Strausbaugh, Gettysburg, and William Charles Epley, son of Mrs. Ida Epley, also of Gettysburg, were united in marriage Saturday evening at 9 o'clock in the rectory of St. Francis Xavier Catholic Church. The Rev. Fr. Raphael H. Gross, assistant rector, performed the ceremony. The couple was attended by Miss Mildred Irene Anzengruber, Gettysburg, and Wilmer Henninger, Paxinos, Pa.

**McRea-MacPherson:** Miss Virginia MacPherson, daughter of Mr. and Mrs. O. G. MacPherson, Carlisle St., became the bride of William McRea, Gettysburg, Saturday morning, in a ceremony performed at Baltimore. The bride is a graduate of Gettysburg High School in the class of 1934. The bridegroom is employed in the shop of the Times and News Publishing Co.

**Gardner-Sanders:** Dean Richard Gardner, Aspers R. D. and Miss Anna Gertrude Sanders, daughter of Mr. and Mrs. Edward C. Sanders, Steinwehr Ave., were united in marriage Saturday evening in the rectory at St. Francis Xavier Catholic Church. The ceremony was performed by the Rev. Fr. Raphael Gross, assistant rector, and was witnessed by Mr. and Mrs. Raymond Hardman, Breckenridge St.

**Gulden-Black:** Donald Cecil Gulden son of Mr. and Mrs. Cecil E. Gulden, Gettysburg R. 1 and Ruth Hermie Black, daughter of Mr. and Mrs. Waybright Black, Wenksville, were united in marriage Saturday afternoon by Justice of the Peace John C. Shearer in his Baltimore St. office.

**Horace F. Armor and Bride Will Live in Chicago:** Miss Wilma L. Kramer, daughter of Mr. and Mrs. Joseph Kramer, Bridgeport, Connecticut, and Horace F. Armor, son of William D. Armor, E. Middle St., were united in marriage Wednesday afternoon by Rev. Dr. J. B. Baker at his cottage on Marsh Creek.

Mr. and Mrs. Brady S. Armor, Newburgh, N. Y., brother and sister-in-law of the bridegroom, attended the couple. Mr. Armor is a graduate of Gettysburg College. About a year ago he was promoted to a salesman's position by the du Pont company and was transferred from Fairfield, Connecticut, to Chicago. After a wedding trip the couple will reside in Chicago.

**August Weather Sets 35-Year Record:** A hot, dry month—probably the hottest August Gettysburg has experienced in 35 years—has been recorded by Dr. Henry Stewart, observer at the official weather station here. The month was marked by clear skies and a bright hot sun that kept the mercury an average of nearly five and a half degrees above the normal point during every day in the month.

Akthough no August heat records were set by the high reading of 97 degrees which was taken on August 15, the sustained heat wave that kept the mercury in the nineties for a week or 10 days at a time built up an excess of heat that added to 167.4 extra degrees of heat above a normal August in Gettysburg.

**266 Parochial Pupils Enroll:** The parochial school of St. Francis Xavier Catholic Church opened the 1938-1939 school year Thursday morning when 266 boys and girls reported. Additional pupils are expected so that the enrollment this year may reach or exceed 275.

The school session opened Thursday morning with a mass of the Holy Ghost which was conducted by Rev. Fr. Mark Stock rector. At promotion exercises held Thursday morning 208 boys and girls were advanced. There are 22 beginners at the school.

**2 County Women Can 91 Quarts of Peaches in 1 Day:** Mrs. Stella Engel and Mrs. Grace Bishop set what is believed to be at least a local record when they canned 91 quarts of peaches in one day last week.

The peaches were preserved in the "old way"—by cooking in an open kettle and then filling the jars. Five bushels were used. The canning was done at the home of C. E. Her-ring Orrtanna R. D.

## Today's Talk

By GEORGE MATTHEW ADAMS

### THOUGHTS

Nothing is more important than our thoughts. They are always with us and influence everything we do. Our health and our outlook upon life are controlled by these thoughts of ours. How very essential it is that we make these thoughts companionable. They can be friends or enemies.

We can expect little happiness from our thoughts if we allow worries, fears, regrets, or anger to take up space where nothing but pleasant thoughts should be. Our first thoughts upon awakening should be for a day of usefulness and happy achievements. And at night time we should appraise the day's thoughts and see how far ahead we are!

The late O. O. McIntyre used to write a portion of his family column under the sub-line "Thoughts While Strolling" and those thoughts were very interesting. Habitual walkers do not go alone. They have their thoughts with them. As we read a book our thoughts run all over the pages, otherwise reading would not be the pleasure it is. We are accompanied by them into art galleries, when travelling, and we have fun with them as we merely listen to the expressed thoughts of others.

Our habitual thoughts are what mark our personality and shape our character. Our thoughts make all our decisions. They brand us as any of our personal friends may easily note. Our thoughts are our free gift. No one can put them into prison. They are God's great gift!

Think of the day — of the moment. Cluster the pleasant thoughts and they will crowd out the unhappy ones. Thoughts are potential deeds. We are all influenced by the thoughts of the great of all time. I have a book with the thoughts of the Chinese six thousand years ago! Reading Emerson, Thoreau, William James, Dr. Osler, and such thinkers, is an uplifting experience. Great thoughts never die. We leave a part of ourselves behind in the thoughts that we think, express, and live.

Tomorrow Mr. Adams will talk on the subject: "When Vacation Ends"

## TWO SENATORS SHOCKED BY AIR FORCE CUT

WASHINGTON (AP)—Two Democratic senators today labelled a reduction in the Air Force's production program "shocking" and "dangerous." Sen. Potter (R-Mich.) asked for disclosure of all the facts involved in the 750 million dollar cutback.

Senatorial criticism began to erupt with publication of reports, later modified that plans to purchase 1,000 planes had been cancelled. The aircraft reduction is apart from the five billion dollars cut earlier this year from the Air Force budget.

However, James H. Douglas, acting secretary of the Air Force, told newsmen the striking power

government officials, economic leaders, trained observers of international affairs, and leaders of religious and anti-religious organizations gathered during an eight-week trip to Europe, was made by Rev. Dwight P. Putnam, Thursday, to a reporter for the Gettysburg Times.

The Christ Lutheran minister who returned to Gettysburg from a 15,000 journey as a member of an American seminar group of 50 professional men and women reported his observations and the results of conferences within the group on political, economic and international situations.

In England the group met 12 members of parliament, Lord Halifax and others. In Berlin the Nazi government delegated representatives to meet with the group. In Russia the travelers held frequent conferences with Walter Duranté and other reporters and talked with the head of the Athletic League.

The American party was continually being impressed, the Rev. Mr. Putnam recalled, while they were in France and England and other European democracies, with the feeling that it would be an "immoral act" for the United States to fail to step into a European war to help save the democracies.

of the Strategic Air Command would not be effected "materially" by the reduction, which he said was not an economy move.

**Announced By Wilson**  
Instead, he declared, it followed from revised estimates of what the Air Force needs and will release money for other types of aircraft, some perhaps to be obligated this fiscal year. Douglas also said that while some existing contracts were affected, it was mainly future aircraft procurement plans that were hit.

Secretary of Defense Wilson, announcing the reduction in St. Louis yesterday, said changes were being made "so we can spend the money for the right thing at the right time and for the right purpose." He declared the reduction would not affect the current production rate of 1,000 airplanes a month, nor prevent the Air Force from reaching its goal of 120 wings.

Sen. Hill (D-Ala.), a member of the Senate Appropriations Committee, and Stennis (D-Miss), an Armed Services Committee member, voiced doubts that sufficient new orders will be forthcoming to prevent a reduction in over-all planned air strength.

**"Shocking Repudiation"**  
Hill said in an interview he regards the contract cancellation as "a shocking repudiation of the commitments made to Congress by Secretary Wilson that there would be no reduction in plane production."

Stennis said in a statement that any reduction in the Air Force would constitute "a dangerous risk to our security and represent a

GRAND RAPIDS, Mich. (AP)—"Hottest weather I ever saw," mused patrolman Carl Baker of Sparta as he drove to Grand Rapids yesterday.

"Gettin' hotter," he mused a little further along on his 15-mile, police-business journey. All of a sudden he knew it was more than the 90-plus degree weather having effect. He saw smoke. His car was on fire.

Baker doused the blaze which apparently had started from a short circuit.

JERSEY CITY, N.J. (AP)—New Jersey's record shattering heat wave prompted the Rev. Paul L. Jewett to put up this sign in front of the Emory Methodist Church, where he is pastor.

## Braves Beat Brooklyn But Need Help From Others If They're To Overtake Leaders

By The Associated Press

The Milwaukee Braves, still cherishing pennant ambitions, hustled home today and sent out a "help wanted to beat the Dodgers" plea to the rest of the National League.

The Braves are going to need lots of help to get anything like really close to front-running Brooklyn. With 21 games to play they trail by nine. Even 21 consecutive victories, wouldn't guarantee the flag unless the Dodgers were beaten at least 10 more times.

Success sounds impossible. But then a year ago anybody predicting that Milwaukee, Wis., would be a contender for the 1953 pennant in either major league would have been hurried off to the nearest doctor.

### 15 Home Games Left

Here's the situation the rest of the way:

Milwaukee has 15 home games left, starting tonight against St. Louis. The Cards play four and then the Braves visit Chicago for a Labor Day doubleheader. They come back home for a two-game series with Philadelphia, Brooklyn, New York and Pittsburgh and a three-game set with Cincinnati. Then they wind up on the road with pairs at St. Louis and Cincinnati.

A surprisingly consistent club all season, the Braves have played slightly better ball on the road than at home. They've won 44 and lost 27 out of town and have a 38-24 record in Milwaukee.

**Meet Giants Tonight**  
Brooklyn, a sensational home club this year, has only six more games at Ebbets Field and 15 on the road. The Dodgers have won 55 and lost only 16 games in Brooklyn. Away from home they've won 36 and lost 26.

The Dodgers open a three game visit with the Giants at the Polo Grounds tonight. They're back home Labor Day for two with Philadelphia, then head west for two each at Cincinnati, Milwaukee and Chicago and three at St. Louis. When they get home they've got three with the Phillies and one with Pittsburgh before showing off for Philadelphia to end the season with three against the Phils.

The Braves gained one distinction over the Dodgers yesterday. They beat them 6-1 and ended their visits to Brooklyn with a 6-5 record, the only team in the league to gain the upper hand over the Dodgers at Ebbets Field.

**44th For Matthews**  
Eddie Matthews broke a 1-1 tie with his 44th home run in the eighth. It came with two aboard. Later in the same inning Jim Pennington belted an inside-the-park blast that scored two more. Lew Burdette won his 14th game against three losses, best record in the league.

In other games Philadelphia shaded the Cardinals 2-1 and Cincinnati thumped New York 9-2. The New York Yankees whipped the St. Louis Browns 8-5, Cleveland climbed into a second place tie with Chicago by beating Philadelphia 9-4 as the White Sox lost to Washington 5-1 and Detroit edged Boston 5-4.

The Yankees' lead is now 10½ games over Cleveland and Chicago with 22 to play.

**Browns Blew Lead**  
The Phils' winning run against the Cardinals came in the eighth when Granny Hamner tripled and then scored as he knocked over catcher Del Rice during an attempted run down. Curt Simmons bested Harvey Haddix.

Ted Klusowski of Cincinnati broke his batting slump with four hits—his 38th homer, a double and two singles—in the Redlegs victory in New York. Larry Jansen, who owned a 24-3 lifetime record over Cincinnati, was the loser.

Home runs by Yogi Berra, Gil McDougald and Gene Woodling, which produced six runs, helped Eddie Lopat secure his 14th victory for the Yanks. The Browns led 4-0 at one point.

**White Sox Fall**  
The White Sox fell before the four hit pitching of Bob Porterfield and Johnny Schemitz. Porterfield pitched six scoreless innings but had to give up with a back injury.

Cleveland's victory over Philadelphia was its 16th in 19 meetings this season. Rookie Dave Hoskins drove in two of the runs in winning his eighth game and his fourth in a row.

Detroit survived a Boston home run siege by Karl Olsen, Hoot Evers and George Kell in the late innings. Bob Neiman drove in three of the Tigers' five runs.

## LITTLE LEAGUE PLAYERS WILL SEE PRO GAME

Little League baseball players, umpires and managers will go to Washington, D. C., Saturday, September 12, where they will witness the Washington Senators-Cleveland Indians baseball game at Griffith Stadium.

The players will be guests at the game of the Senators, while the umpires and managers will be guests of team sponsors, Little League and the Gettysburg Elks.

Buses will leave from the fire engine house Saturday morning at 9:30 o'clock. It is requested that those making the trip take box lunches with them.

There will be room for 14 adults on the buses. Parents or interested persons desiring to accompany the group may do so at a cost of \$3 for transportation, plus the admission to the game.

Anyone interested in making the trip is asked to get in touch with Charles A. Smith, league president, at 434 W. High St., or by telephoning him at 738-X on or before September 10.

By The Associated Press  
TODAY A YEAR AGO — Charles J. (Butcher Boy) Schmidt, a member of the Boston Braves 1914 miracle team, died at 66.

FIVE YEARS AGO — Willie Turnesa won the National Amateur golf title, defeating Ray Billows 2 and 1.

TEN YEARS AGO — Lt. Joe Hunt defeated Bill Talbert 3-6, 6-4, 6-2, 4-6 to enter the national tennis finals.

TWENTY YEARS AGO — Joe Hauser, Minneapolis Miller, of the American Association, broke all home run records with his 64th and 65th homers.

## SHANTZ WILL PITCH AGAIN

PHILADELPHIA (AP)—The Philadelphia Athletics, buried deep in the second division, are looking forward to next season hopefully, and with good reason.

Little Bobby Shantz, the left-hander who won 24 games for the A's last year and was the American League's most valuable player, was examined by an osteopath yesterday and apparently nothing serious is wrong with his injured pitching arm.

Dr. Charles Van Ronk described Shantz' injury as a separated tendon in his left shoulder. Shantz pulled the tendon pitching against the Boston Red Sox May 21.

Van Ronk told him "there is nothing wrong with your arm that cannot be fixed. Were the season not so short I would say that you could pitch again before it is over—and maybe you will."

Shantz, inactive most of the season, has won only five of 13 decisions.

### LAST NIGHT'S FIGHTS

By The Associated Press

NEWARK, N. J.—Pete Adams, 150, Newark, outpointed Willie Johnson, 149, Lumberton, N. C., 8.

COPENHAGEN—Jorgen Johansen, 130, Denmark, drew with Werner Handke, 131½, Germany, 15.

FRESNO, Calif.—Aberdeen Lynch, 136½, Los Angeles, outpointed Jimmy Savala, 139, San Francisco, 10.

## Reading Is One Game From Pennant

By The Associated Press  
The Reading Indians can clinch the Eastern League pennant with one victory—or a Binghamton defeat.

And the Albany Senators should be credited with an assist for Reading. They edged the Binghamton Triplets at home last night, 4-3. The triumph clinched fourth place for Albany and just about killed Binghamton's pennant chance.

Reading's game at Wilkes-Barre was cancelled because of wet grounds.

The second-place Schenectady Blue Jays eliminated the fifth-place Elmira Pioneers from playoff contention with a 3-2 victory at Elmira, and the visiting Scranton Miners and the Williamsport Athletics divided a doubleheader. The A's won the first, 4-3 and dropped the nightcap, 7-2.

## FINAL PLAYOFF SERIES OPENS AT TANEYTOWN

The top baseball attraction in this area Sunday will be the contest between Greenmount and Taneytown on the latter's field which opens the title best-of-three series in the South Penn League.

Greenmount, which finished third in the regular season, eliminated Bonneauville, regular season champs, by sweeping two games in a semi-final series. Taneytown, second place outfit, also swept two games from Brunsdown, which wound up fourth in the regular campaign.

There is certain to be a deadlock for one of the playoffs spots in the Pen-Mar League which concludes its regular season with games scheduled for Sunday.

### It Is Certain

Emmitsburg, New Oxford and Blue Ridge Summit are deadlocked for second place with identical 12-8 records. Blue Ridge Summit will play at New Oxford while Thurmont is at Emmitsburg. Regardless of the outcomes of the games there will be either a tie for second or third place.

Union Bridge, unbeaten regular season titlist, will go all out to complete an unblemished season when it is host to Littlestown.

In the remaining game Cash-town plays at New Windsor.

## ELKS SOFTBALL TEAM HONORED; HEAR YOVICSIN

Members of the Elks softball team were tendered a dinner Thursday evening by the Gettysburg Lodge of Elks at the lodge home and heard a resume on the Gettysburg College football squad by Coach Johnny Yovicsin.

Special guests at the dinner were Miss Suzanne Hamm, McSherrystown, and Clair Redding, Gettysburg R. D. James R. Riegler, exalted ruler, presented Miss Hamm a check for \$400 representing the Elks State Association Scholarship award. She will be a senior at Seton Hall this year. Redding also received at \$400 check as a most valuable student selection by the Elks National Foundation.

Riegler presided as toastmaster. The invocation was given by William C. Kuhn, lodge chaplain. Chair officers of the lodge were also guests at the dinner.

### Key Spots Vacant

In a brief summary of the prospects of the Gettysburg College squad for the coming season, Yovicsin revealed a squad of 46 is now working out twice daily on the college field. He pointed out that two key spots, quarterback and center, are without lettermen.

He stressed the problems involved this year due to the elimination of the platoon system by the Rules Committee and said he and his assistants are hopeful of developing two capable teams to alternate throughout the game.

Yovicsin added that while all opponents are regarded as tough, the opening game with Delaware at Newark, Del., September 26, at present looms as one of the most difficult on the Bullets' schedule.

The program was completed with the showing of films of the Gettysburg-Muhlenberg game here last year which was won by Gettysburg 32-7.

### NEW YORK (AP)—Lulu Perez,

Brooklyn's latest fistic pride, is a 12-5 favorite to whip Davey Galardo in Madison Square Garden tonight and earn a shot at Willie Pep.

The winner of the 10 rounder has been promised a crack at the former featherweight champion in the Garden, Nov. 13.

## 5 Harness Horses Perish In Flames

SARATOGA SPRINGS, N. Y. (AP)—Five harness horses perished early today as fire leveled a 20-stall barn near the Saratoga Raceway.

Four horses died in the flaming stables. Sterling Hanover, an 11-year-old trotter, was led from the burning barn but had to be destroyed.

### The others were:

Lottie Spencer, a 6-year-old pacer mare, and Capreak, a 2-year-old trotting filly, both owned by Ellsworth Jones of Corinth.

Clancy's Boom, a 4-year-old pacer gelding owned by F. J. McGovern and Thomas Judge, both of North Adams, Mass.

Melba Diamond, a 3-year-old trotting filly owned by Mr. and Mrs. Wilbur Hart of West Simsbury, Conn.

### Three-Day Tuna

### Tournament Opens

BELMAR, N. J. (AP)—New Jersey's three-day tuna tournament ended yesterday.

The boxscore: No strikes.

William Rutka of Newark, president of the Tuna Assn., conceded the tourney was a bit disappointing, but said he thought the anglers from seven clubs in 10 boats showed considerable sportsmanship. After all, they stuck to it for three days without getting a strike.

There's some sentiment, Rutka disclosed, for including bluefish and mako sharks in next year's tournament.

### Pairings for tomorrow's play:

Trenton vs. Washington, D. C. (9 a.m. EST); Esslingers, Philadelphia vs. Wilmington, Del. (10:30 a.m. EST); Williamsport, Pa. vs. Martin Bombers, Baltimore (12 noon EST); Tarentum, Pa. vs. Dupont, Richmond, Va. (1:30 p.m. EST).

to nearby Freedom Village, where he was met by top officers, including Gen. Maxwell D. Taylor. There, Dean's bright eyes and broad smile showed his feeling as he said:

"I am certainly happy to be back and to be home. . . . You all look better to me than I do to you, I'm sure."

Gen. Mark Clark, U.N. Far East commander, flew from his Tokyo headquarters to greet the returning soldier.

Spokesmen said Dean would be flown to Japan Saturday after a checkup at a military hospital in Seoul.

**Gets Korean Medal**  
In a ceremony at the hospital, President Syngman Rhee personally pinned on Dean's chest South Korea's highest military award, the Taeguk Medal with gold star.

The 275 Americans coming back Saturday will be by far the largest number returned on any single day.

They will bring the total of Americans returned to 3,486, well above the 3,313 the Reds promised before the exchange began Aug. 4. And there may be more Americans in the final day's exchange Sunday. The Reds have not given any figures for that delivery.

**TAKE SECRETARIAL COURSE**  
Two June graduates of York Springs High School have begun their training in the medical secretarial course of the Maryland Medical Secretarial School, Hagerstown.

They are: Miss L. Madge Mulky, daughter of Mr. and Mrs. V. S. Mulkey, York Springs, and Miss Beverly LaVanture, daughter of Mr. and Mrs. Alonzo M. LaVanture, of the same place.

## Sunday School Lesson

By

Rev. Dr. Howard R. and Margaret C. Gold

### THE CHRISTIAN'S USE OF POSSESSIONS

I Timothy 6:6-19

Memory Verse: The love of money is the root of all evils; it is through this craving that some have wandered away from the faith and pierced their hearts with many pangs. I Timothy 6:10.

"Here is a check for use in your work. I decided to give a part of my first month's salary to our little church which meant so much to me while at the university."

This note came from Sig, and I was not surprised. He was starting out in life with the right thought about money and its proper use.

Money, and what it denotes, is one of the forms of wealth entrusted to us. It can be a power-

ful influence for good or evil. The use of it brings out the qualities of character which might otherwise be hidden in one's personality. Jesus frequently referred to possessions. Note the parables of the Rich Fool, the Rich Man and Lazarus, the Good Samaritan, the Prodigal Son. Beside these parables, our Lord in many sayings showed that He was aware that the material things of life had a definite influence upon the spiritual life of man.

Evidently there were people of wealth in the church at Ephesus. It was an important church in several ways and it was scattered. It is estimated that scores of small congregations met in private homes. Timothy served as a kind of superintendent over these

churches. Paul's two letters to the young pastor are full of advice and encouragement. He takes up the matter of possessions — money in particular. What Paul has to say about money harmonizes with what Jesus said or implied on the same subject.

"Love of money is the root of all evils" says Paul. Because of a frequent misquotation of this passage, it must be observed that it is not money itself that is the root of evils, but the "love" of it, the eagerness for which brushes aside ethical factors to obtain it. In a canoe on a Wisconsin lake we were discussing life work. My companion was taking up real estate business in Chicago. Said he, "If I knew I could not succeed, I would go out over this boat right now." Success meant money and plenty of it. Against that kind of "love" Paul gives warning. And a psalmist (Psalm 62:10) long before Paul's time wrote: "If riches increase, set not your heart on them." The thought is: A man may possess riches, but

riches must not possess the man. In the seeking of wealth and in its use a man may lose his spiritual life. Jesus does not condemn the man of wealth, but says: "It is easier for a camel to go through the eye of a needle than for a rich man to enter the Kingdom of God" (Luke 18:24, 25).

There are many pitfalls in the acquisition of wealth and its application. To avoid them it is well to look upon possessions in the light of honest stewardship. One does not actually own wealth, he only possesses it for a brief time. The ability to acquire has been given to him. It is a talent to be used wisely and for high purposes. Paul's "man of God" avoids the dangers lurking in the love of wealth by aiming at righteousness, godliness, and other spiritual qualities. These are among the treasures which Jesus in His Sermon on the Mount urged men to lay up for themselves in heaven. A faithful steward, possessor of the things of God, is of the salt of the earth. Through him the

Lord can work out His loving purposes. It is heartening to see the wealth of good stewards flowing out into the areas where people are always hungry, where life can become what God intended it to be. His riches are without limits. May true stewards acquire and apply them wisely!

## DISCUSSING THE HIGH POINTS

We never learn all we are taught!

In religious education, as in secular, certain truths are grasped immediately; others are stored away in the mind to be understood later; and some are promptly forgotten.

When your child comes home from Church School each Sunday he has grasped a few "high points" of the lesson. You can encourage him by talking them over.

He also brings home each Sunday certain impressions. He cannot express or understand them. But they are seeds which, if nourished in a Christian home, will blossom into moral and spiritual character.

But your child leaves behind him many truths which are essential to a mature soul. These "lost" ideas will be re-learned in future experiences at Church. That's why religious training must be continuous.

Wise parents study their faith with their children. In our local churches there are classes for young and old.

### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## Cool Breezes Bring Relief In Middle West; Here Saturday

By The Associated Press

Cool northern breezes and refreshing showers spread across the sun-baked Midwest today bringing happy relief from a prolonged heat wave.

Hot and humid weather, however, continued in wide areas in the eastern sections of the country. But there was hope of an early break, probably by tomorrow.

The cool air mass from Canada, heading eastward and southward, pushed back the torrid stagnant air that had held a tight grip over the Midwest for as long as 11 days.

**Tumbles 30 Years**  
Temperatures tumbled as much as 30 degrees as the cool air moved steadily across the parched mid-continent. A band of showers about 100 to 200 miles wide were general along the leading edge of the cool air from Wisconsin southward into eastern Iowa, northwestern Illinois, Missouri and northeast Texas.

Weather bureau officials said the cool mass would cover all of Michigan and Indiana by late today. There was indication that it would

continue eastward and southward and bring relief to other heat-stricken areas.

Showers were forecast for sections about 160 miles to the rear of the cooler air, extending over eastern Wisconsin, Michigan, Illinois and Indiana.

**Relief For Chicago**  
Chicago, sweltering with other areas from the Rockies to the Atlantic Coast in the summer season's longest heat wave, got the welcome relief around midnight.

It was a hot and sticky 97 in Chicago yesterday, the 10th straight day of 95 degrees or higher. It continued muggy with readings in the 80's before midnight. But four hours after the cool air moved in, it was a delightful 63. The forecast was for readings in the low 70's today and a chilly 50 tonight.

As the break in the heat wave came to the mid-continent, the toll of dead from causes attributed to the hot weather mounted to at least 134. The searing heat also has caused millions of dollars damage to crops, livestock and pasture lands.

**Elmira Had 105**  
It was another day of record breaking heat in wide areas in

the eastern half of the country yesterday, with highest readings in the northeastern section. Elmira, N. Y., reported a top of 105 and the 100 at Binghamton broke a 24-year record for the date. It also was 100 in Albany and the 99 at Rochester was an all-time high for September.

There were similar readings in other eastern cities, including 100 in Philadelphia and 98 in Washington, where the first heat deaths were reported.

Deaths attributed to the heat

numbered 33 in Illinois; 20 each in Massachusetts and Pennsylvania; 12 in New York; 7 each in Ohio and Maine; 6 in New Hampshire; 5 in New Jersey; 3 each in Texas, Rhode Island, Vermont and Minnesota; and 2 each in Wisconsin, Indiana, Maryland, Michigan, Missouri, and Washington, D. C.

**PITTSBURGH (AP)**—Weary firefighters Thursday played streams on a fire which swept spectacularly through a glass warehouse, killing

one fireman and causing an estimated \$200,000 damage. Three other firemen were injured which Wednesday night engulfed a three-story brick building of the Conroy-Prugh Glass Co. in the Manchester section.

Here's a delicious dessert sandwich: Cut brick ice cream into slices and place between slices of pound cake; top with a fresh fruit sauce.
